

PSALM 119:105-112

NUN (PART 2)

Three occasions provide opportunity for the psalmist's comprehensive resolve for obedience.¹

- I. His need for guidance, v. 105-106**
- II. His distress from enemies, v. 107-110**

- A. The extreme affliction**

- B. The excellent requests**

- C. The exemplary commitment**

- III. His satisfaction with Scripture, v. 111-112**

¹ Regarding the main points of this outline, I am indebted to Dr. George Zemek for his synopsis and outline and commentary on this stanza. In my opinion, there is no better resource for understanding Psalm 119 than his book, *The Word of God in the Child of God*.
